MSNA Past President EDWARD CRAIG visited Hawaii for the 75th anniversary of the attack on Pearl Harbor. Ed lived in Hawaii many years ago, and joined the USS Arizona Memorial Association which holds an annual remembrance of the ships's sinking and deaths of many crew members. For the diamond anniversary Ed commissioned a set of medals. The two obverses show King Kamehameha III based on the 1847 cent, and the island of Hawaii as shown on the reverse of a fantasy 1891 dollar struck in England by Pinches & Co. for collectors. The common reverse has *Remember PEARL HARBOR* at top with *1941 75 years 2016* in boxes near the top. The horizontal inscriptions are in three sections. At top is *USCGC Taney (WHEC-37) Baltimore – Maryland.* In the middle is *Last ship afloat that saw action in Hawaii 7 December 1941.* At bottom is *Mahalo nui loa (*Hawaiian for thanks a lot) and the legend *Edward L. Craig.* Each medal comes in 3 finishes: red bronze, yellow brass, and white silver plate. **ME**

JANE SEARS R80/LM12

Collectors who attended the **East Coast APMS** Meeting received a set of 8 "American Play Money Society" ONE BUCK notes printed in black ink on eight different colors of paper. The center featurs a cartoon likeness of George Washington with a dollar sign on a shield to the left and an eagles head facing left in a circle on the right of the note with the back of the note blank. The notes were serial numbered and measure 2 ½" x 6". Differnet serial numbers on the notes were used to award door prizes to the meeting attendees. The door prize chair person, **MD TAMS** and **APMS** member Jane Sears designed the notes and handled the awarding of the prizes. Plenty of trading, selling and swapping took place with everyone adding plenty of new "fun money" to their collection
